Hi – can you make sure you copy me on all the gkm media requests? I think I see most of them from being on the press list – but missed this one. Thanks ng

I would use the information out of our latest situation report dated Oct 13th. The total expended from the sit report as of Oct 13th are as follows:

Region 8:	\$8,459,966
Region 6:	\$3,391,804
Region 9:	<u>\$2,606,323</u>
Total:	\$14,458,094

I don't have any information on the payout of claims for affected individuals or businesses (question #2). I believe this is being handled through HQs.

I've copied Rich & Lisa to see if they have opinions on how to get this communicated back to the requester.

Not entirely sure the best folks to help with these two questions. Please loop in folks as needed.

Grace Hood from Colorado Public Radio is asking:

1. How much has EPA spent on Gold King Mine cleanup so far?

2. Also, how much has EPA given out in its program to compensate businesses affected by the spill?

Thanks,

Christie
